Subject: FW: INTERNAL MEMO | Check Verification Phone Lines are Open

Check Verification Phone Lines are Open

Team:

We now have phone lines open and available for worksite employees, banks, and clients to contact to get **check verification, check status updates, and direct deposit traces**. These phone lines may also be used by Vensure's internal employees and all Division Partners requesting a **status of an employee payroll check or direct deposit**.

All phone calls for these inquiries should be made to **833.249.8989**. Requests are also accepted at treasury@vensure.com for Vensure internal employees only.

Sincerely,

Vensure Employer Services
